

Uniform and Uniform Accessories

The 2019 Parkston High School fall marching season is underway! I am excited to say that we will be marching in a number of parades this season. During these parades we want to sound and look our best. In order to help us look our best, we all need to look the same. While marching in the parades, students are to wear his/her **band uniform, a band helmet & plume, black socks, a pair black Dinkles shoes, and black gloves (except drumline)**. Students are expected to have all part of their uniform listed above and to keep all parts in excellent condition.

The band uniform and band helmet & plume will be issued to the students free-of-charge. However, the student is responsible for the cost of any repairs and/or the replacement of these items if destroyed or lost.

To have all accessories to the uniform, Dinkles shoes and black gloves, students can either buy his/her own (new or used) or rent from the school. Items bought new or used must be approved by Mr. Kurtz to insure that they will be uniform. Students that rent their accessories from the school will be charged \$15 at the end of the season, UNLESS they return all accessories washed & cleaned. Rented accessories include: 1-pair of black Dinkles, 2-pairs of black gloves.

Please indicate if you plan to:

Buy (new/used): _____ Rent: _____

If you plan to buy new accessories or have any questions, please contact Mr. Kurtz for more information at Kevin.Kurtz@k12.sd.us.
